

REMARKS

Claims 1-18 are presented for examination. Claims 1-18 have been allowed. Applicant would like to thank the Examiner for identifying the allowable subject matter.

Objections to the Drawings

Generally, the drawings have been objected to for non-conformance with the USPTO's guidelines. Applicants have submitted the formal drawings herewith, which Applicant believes now conforms to the guidelines.

Drawings have been further objected to for not containing figure 5a as described in the specification. Applicant has amended the specification to remove the reference to figure 5a.

Objections to the Specification

The specification has been objected to for not including the brief description of figure 4c. Applicant has amended the referenced section of the specification to include the brief description of figure 4c.

Applicant believes this application and the claims herein to be in a condition for allowance. Should the Examiner have further inquiry concerning these matters, please contact the below named attorney for Applicant.

Respectfully submitted,

Abdul Zindani
